Dear Mr. Pretorius,

LETTER OF APPRECIATION: EARTH DAY, 22 APRIL 2013.

Thank you for being an important partner in our recent Earth Day 2013 Celebrations. Stellenbosch Municipality is very grateful for your donation and participation that made this year's events the resounding success we believe it was.

We accept the hiccups, mishaps and unintended slips as part of our learning experience, and would certainly be grateful for any helpful suggestions on your part that will enable us to make other events even more memorable.

Please accept the heartfelt thanks from the entire Greening Department of Stellenbosch Municipality.

Yours faithfully

G ESAU
