To whom it may concern

Dear Sir/Madam

We, the staff and learners of Littlewood Primary School, would like to express our thanks and gratitude for the generous donation you made to our school.

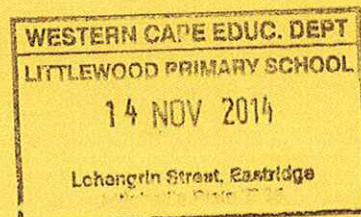

It is our goal to achieve a green, dignified and healthy environment at Littlewood Primary School. Your donation helped us reach our goal and in the process we beautified our dry and desolate ground. We also created a sense of pride in our school amongst our learners and teachers.

The students at Littlewood Primary School will benefit from your contribution both now and in the future. In times of limited resources, contributions such as yours make an incredible difference in what's available to our students. Your gift will truly be remembered!

Yours sincerely,

Mr D.P Williams

(Principal)
